- Any post high school institution
- Only a bachelor's degree program (may start at a community college)
- Financial need is important, but not limiting

RAY DAVIS MEMORIAL SCHOLARSHIP \$550

- Any post high school institution
- Only a bachelor's degree program (may start at a community college)
- Financial need is important, but not limiting
- High GPA important, but not limiting
- Demonstrated interest in physical fitness and sports participation, having earned at least one varsity letter in a competitive sport at MHS

ADAM AND ELMA DONALDSON FAMILY SCHOLARSHIP \$1100

- Only post high school institutions in Oregon
- Only a bachelor's degree program (may start at a community college) leading to a degree in Education – Pre-school through 12th grade
- Financial need is important, but not limiting
- High GPA important, but not limiting
- Attended MHS at least 2 years

HELEN (ROBINSON) DOVING SCHOLARSHIP \$650

- Only a bachelor's degree program (may start at community college)
- Financial need is important but not limiting
- High GPA is important but not limiting
- Preference would be a candidate with interests in the areas of writing, journalism and music, although not strictly limited to these areas
- As a lifelong learner, community volunteer and strong supporter of continuing education, Helen would be pleased to support students who have achieved academic success and who have participated in school and community activities

LELAND & ALICE ENGLE MEMORIAL SCHOLARSHIP \$600

- Any post high school institution and any program of study
- Financial need is important, but not limiting
- High GPA important, but not limiting
- All other things being equal, applicant should be familiar with hard work, value family and demonstrate a desire to become a contributing member of school/community. Applicants who have lived on a farm or plan to pursue a career in nursing or education should be considered.

LES ENGLE SCHOLARSHIP \$500

- Any post high school institution and any program of study
- Financial need is important, but not limiting
- High GPA important, but not limiting
- All other things being equal, applicant should be a student who has been involved in MHS athletics, Student Council and demonstrates leadership qualities

FIRST STUDENT TRANSPORTATION \$500

- Any post high school program of study

FITZWALTER FAMILY SCHOLARSHIP \$500

– Each of the following criteria shall be given equal weight

- Only post high school institutions in Oregon
- Bachelor degree programs in the area of education
- Financial need important, but not limiting
- High GPA important, but not limiting
- The Fitzwalter family believes strongly in the importance of “putting something back into the soil”
- All other things being equal, the scholarship should go to someone who might return to Coos Bay to teach

JASON FORRESTER MEMORIAL SCHOLARSHIP \$3900

- Any post high school institution
- Any area of study
- Financial need is a prime consideration
- High GPA is important, but not limiting

CHET HALISKI MEMORIAL SCHOLARSHIP \$1500

- Any post high school institution including Voc/Tech program
- Any area of study
- Financial need is a prime consideration
- High GPA is not an important consideration
- Chet Haliski would not have been able to attend college had he not received a scholarship. It would be in keeping with the spirit of this scholarship if the recipient could not afford to attend college without the aid of scholarship. It would also be most appropriate if the recipient were from a background where going to college or Voc/Tech program were not the expectation. Finally, it would have given Chet great joy to offer a scholarship to a student who may have had some troubles early in high school but who made an effort to become a better person during the junior or senior years.

RICHARD & BETTE HANEN MEMORIAL SCHOLARSHIP \$1500

- Only post high school institutions in Oregon
- Any post high school program of study (with preference for Nursing or Business, but not limiting)

BRUCE AND THELMA HOFFINE MEMORIAL SCHOLARSHIP \$500

- Any post high school education
- Any certification or associate degree, not necessarily a bachelor's degree
- Any field of study, V/T or otherwise
- Minimum of 3.00 GPA
- Financial need is important but not limiting
- High work ethic – Hard Worker - Solid moral fiber
- Athletics – Having been a Pirate athlete is important, but not necessarily a heavy hitter. Desire to compete and win for the purple and gold is important

WALLY JOHNSON & SUSAN TALLEY-JOHNSON SCHOLARSHIP \$500

(Will be awarded beginning in 2023)

- Any post high school institution in Oregon
- Any post high school program of study
- High GPA is important but not limiting
- Financial need is a prime consideration

JOYCOLYNN & WALTER JOSLIN TRUST \$11,000

Things were very difficult for Walter when he was in high school. According to Walter, his parents had no money and he worked at a YMCA for money for his meals. Walter worked four hours per day plus attending school. This background resulted in his very strong feelings that educational opportunities needed to be made available to low income families.

Walter and Joyce enjoyed the music program at the schools and Walter was a supporter of the shop programs... The Joslins were also strong supporters of the public libraries...

ELEANOR & HAROLD KNUTSON SCHOLARSHIP \$500

- High GPA is important but not limiting
- Any post high school institution
- Any post high school program of study
- Financial need is a prime consideration

WARREN AND ADELINE KOLEN MEMORIAL SCHOLARSHIP \$500

A student awarded a scholarship may receive a scholarship for more than one year, up to four years in total, as long as the student receives passing grades at the college or university. The standards for scholarship recipients are:

1. The recipient must be a person of good character, evidence of which may be:
 - a. recommendations from faculty
 - b. recommendations from community members
 - c. writings by the student, or
 - d. other evidence that demonstrates that the recipient is a person of excellent morals and is honest, decent, dependable and industrious, and is a person who would be of benefit to the community.
 - e. This standard (good character) is the most important standard.
2. Scholarship recipients MAY be chosen from students who would not ordinarily qualify for academic scholarships on the basis of grades or test scores, but may also be chosen from students who do have good grades or test scores.
3. Need, in addition to character, is a significant factor.

ALBERT PRANATIS MEMORIAL SCHOLARSHIP (2) - \$1500 4Yr

A student awarded a scholarship may receive a scholarship for more than one year, up to four years in total, as long as the student receives passing grades at the college or university.

The standards for scholarship recipients are:

- Good character is the most important standard, evidence of which may be:
 - a. recommendations from faculty and/or community members
 - b. writings by the student, or other evidence that demonstrates that the recipient is a person of excellent morals and is honest, decent, dependable and industrious, and is a person who would be of benefit to the community.
- Scholarship recipients MAY be chosen from students who would not ordinarily qualify for academic scholarships on the basis of grades or test scores but may also be chosen from students who do have good grades or test scores.
- Need, in addition to character, is a significant factor.

STEVE PREFONTAINE MEMORIAL SCHOLASHIP \$1750

- MHS student since the beginning of current school year
- Participated in Track and field or Cross Country
- Displayed exceptional dedication to the sport
